

Balamurugan D

I'm a **software engineer** based in **Chennai** with **2 years of experience** in the IT industry. My focus area for the past 2 years has been Full stack development with Angular, React, NestJS, and Azure.

Experience

Software Engineer

Hexaware Technologies, *Chennai, India* – (July 2021 - Present)

- Was involved in the **Innovation lab** of Hexaware where products were developed which will be used by the other teams in the Organization to serve the clients.
- Worked in 2 projects (**RapidX** and **AutomatON**) as a Full stack engineer.
- Led the **Front-end team of 15 developers** in revamping the UI, by having Code reviews and pair programming.
- Actively participate in the **Story Grooming and Brain Storming sessions** as a Senior developer for our Product.

Achievements

- Completed several Cloud certifications like
 - Azure Fundamentals (**AZ900**)
 - Azure Data Fundamentals (**DP900**)
 - Azure AI Fundamentals (**AI900**)
- Received **Rockstar of the month** and **Pinnacle** awards from my current organization for my performance in the team.
- Led several teams in our project and guided the junior developers by having pair programming and code reviews.
- Topper of the **Mavericks training program** (full stack training program for freshers) conducted by our organization.
- Been a part of **Google Developer club** of Pondicherry and participated in workshops and contests conducted by Google Cloud.
